For five years running, the Florida Bermuda Moose Association has participated in the Polar Plunge at Sea World's Aquatica Water Park. In 2010, FBMA Special Olympics Chairman Gerri Ricke raised just over $900 for Special Olympics. As the years passed and the story of how much fun this event is, together with our Polar Plunge Coordinator Carl Toth, participation has gone from a few plungers to over 50 at this year's event, and to an amazing Heart of the Community amount of $10,000 for Special Olympics of Florida.

I have no doubt everyone at the Plunge knew the Loyal Order of Moose were there. Squarely in the top ten fundraising groups, we came in at number seven. As an added award, our team won third place for best team costumes. Decked out in our blue shirts, pink shirts and some pretty amazing costumes. Elvis, a Mooseheart Booster, Moose Rider Chairman Goober, and Carl Toth with his Moose headgear, represented our team.

Each Plunger is required to raise $100 in donations for Special Olympics. They do this through online donations from friends and family, or they accept in-person donations. Some Lodges hold events to sponsor Lodge members and others donate to individual plunger's accounts. 100% of the money raised stays here in Florida to support our local athletes, a lot of whom are plunging right alongside of us. In return each Plunger gets a t-shirt and a pride helmet to wear until next year.

If you are a Moose Legion member, you know to do some good thing for someone each day. Well we did something good on this day! We had fun doing it. We provided a great Family Activity. We showed our Heart to our community and we supported each other. A heartfelt Thank You goes out to all who donated to this effort. I cannot wait until next year to do it again! Perhaps you might find the courage to join our FBMA Heard of Moose Polar Plunge Team.

To learn more about Special Olympics, what they do for these wonderful athletes, and how to get involved as a volunteer coach, mentor, or supporter, visit them on the web at www.specialolympicsflorida.org.

We are 2 months into a new year and I would like to remind everyone that *The Courier* is your newsletter and a great place to get the news about what your LOOM, WOTM or Moose Legion are doing to support the principles of our great fraternity.

February was "Rocker Month", definitely a newsworthy topic, and I'm sure everyone is starting to entertain ideas about Easter and other Springtime events. Maybe you have a special project you are working on at your lodge . . . I'm sure there is something to report on.

I want to invite you to take a few moments to put together a little piece about what you have been doing or plan to do for the Moose, your community or other charity. What you do really serves as inspiration to everyone else. Share your ideas and activities so that others might implement them at their Lodge to the same end.

Florida is one of the fraternity's top producing associations, so I know there's something going on out there every week. We just need to get it in print. Please send me your submissions at: courierjdf@aol.com.

Fraternally,
Joan Fedora, Editor

Message from Territory Manager/F.B.M.A. Liaison

Brothers and Co-Workers we are down to the final two months of the Moose Year. Is your Lodge and Chapter gong to finish plus 1 in membership? If you are still behind there is time to have that gain, but it is going to take some effort. Get your Retention and Recovery Teams on the phone encouraging those in arrears to pay their dues, and those who are expiring to pay before them before due date. I am confident that as a team we can and will have a gain.

As the Back To Basics campaign winds down I hope that all have truly understood what this campaign was all about. It is much more than a membership campaign. If we all did our job, every current and prospective member would understand just what we as Moose do for children and seniors in need, our communities and each other. We must not let the message of this campaign die on April 30, 2015. We need to continue to tell the story of the Moose at every opportunity we have. One of the best ways is to get involved in your community. Attend events and fundraisers and volunteer your time and not just your money. Have representation at Town, City and/or County Council Meetings. Have someone from your lodge belong to the Chamber of Commerce. Most of all, make sure your lodge is the place that represents a positive image in your community, one that every resident would live to visit and enjoy the amenities you have to offer. This may require some cleaning up and sprucing up of the facility as well as the atmosphere in the Social Quarters. I'm sure we have all heard things in our Social Quarters that are not appealing to many.

I hope by now you have made your plans to attend our Mid Year in Orlando. Our Official Visitors, Supreme Councilman Harry Johnston and Past Grand Regent Marlene Snyder, will have some great words of wisdom for us. I also hope you have also made you plans to be in Nashville in July. This is going to be an exciting time and you don't want to miss it. Remember every lodge is required to have representation at this convention. You also must have representation if your lodge plans on applying for a grant next year.

By now I am sure every lodge has started the nominating process for election of new officers. Let's make certain we are selecting the best qualified candidates for the positions. Every Governor elect must have his chairman appointed by the first meeting in May so, if you are planning in being the Governor of your lodge, now is the time to start making those selections.

Let's finish the year with a bang and complete the year with a gain in membership across the board just like last year. LOOM, WOTM and Moose Legion had gains last year and I know that as a team we can do it again.

Thanks for all you do for our children, seniors and our fraternity.

Fraternally,

Jerry

From the Desk of the President

Jerry, Scott and myself just returned from a visit to the Ohio State Midyear Conference. What a trip. This is not the time of year to go to Cleveland, Ohio. Can you imagine three Florida boys in snow and an outside daytime temperature between 9 and 13 degrees F. As with Lodges, Chapters, Council of Higher Degrees, and Moose Legions, we all do some things differently and so do State Associations. We observed several differences that we may be able to use at our Conferences.

Living in Jacksonville and spending time with Moosehaven residents, I frequently get suggestions of things that they want or need. One of the things that they would like to have is overhead storage in the FBMA bus. Brother John Capes agreed that it would be helpful when they go on shopping trips and trips to our Conferences. I have asked the District Presidents to take a onetime collection at a District Meeting. This should more than pay for the project for our bus modification. The collection should be submitted for the Moosehaven FBMA bus and earmarked on the monthly report.

As always, I must bring up retention of our lost Brothers and Co-Workers. Some of the Lodges , Chapters and Moose Legions are doing the job of following up with their lost membership. But, many are not making an extra effort to retain these former members. Also, we must make a concerted effort to make new members feel welcome and that they are part of the fraternity. Again this makes them comfortable and feel like they are a part of the group.

Fraternally,
Bill Norris
President FBMA

Message from the Deputy Grand Regent

Co-workers,
I am sure your all getting ready for your elections. Make sure you support your new board and all work together for your new year.

It's time to look forward to our Mid-Year Conference and Academy of Friendship Session. Please check with your co-workers that have their Call Cards to attend this beautiful ceremony. It is such a special event for the co-workers and their first degree.

I so look forward to Conference to charge my battery. This session we are going to be very honored to have as our Official Visitor Marlene Snyder. As some of you know she is the Queen of **CHARGING** us up. I know we all look forward to all she will teach us. Trust me you can teach old dogs new tricks.

I think we all need to get "Back to Basics" and charge our batteries, so I will see you at Conference. Please contact me if I can help with anything.

Fraternally,
Donna A. Sargent,
Deputy Grand Regent

From the Desk of the Regional Manager

I spent the last week in January traveling throughout the center part of the State working with TM's Larry Cundiff and Bill Birk. Florida has a lot to be proud of as witnessed in lodge after lodge during my travels.

Here you live the "Friendliest Place in Town" philosophy each and every day. I was greeted by people from all over the US and Canada as they start their annual trek to the Sunshine State to spend the winter months. They all made me feel like a part of their lodge, how I am sure, they make each visitor feel and even though they live in different parts of the world Florida cities are their Home Towns, at least through the winter months.

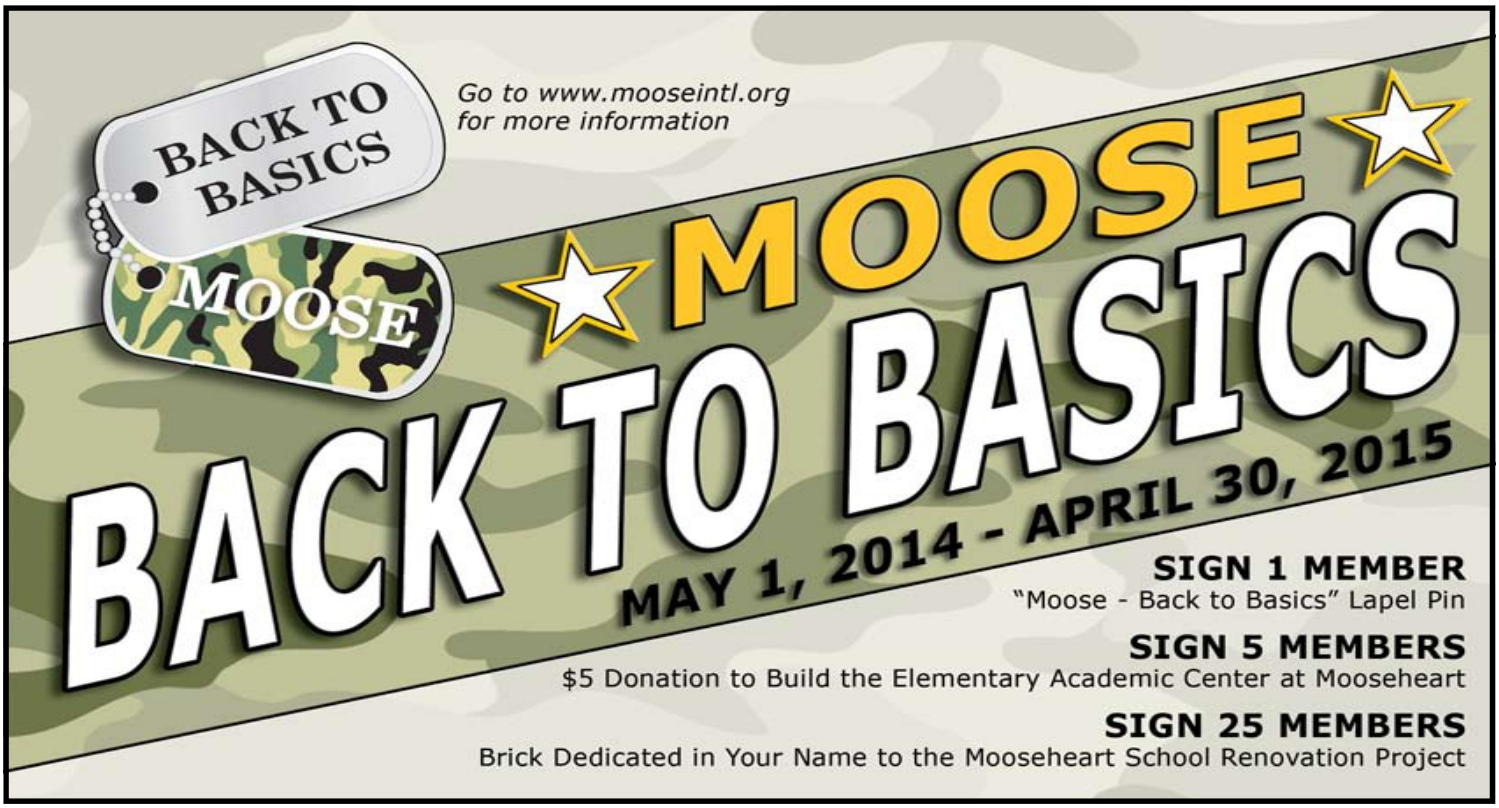
At each lodge I visited they were expecting their membership numbers to grow now that "season" is in. Now is the time to dig in and really push to earn the Premier Lodge Award. Membership should be at the top of this list.

Membership and Retention Committees should be meeting several times a month to help their lodges meet the goal of **PLUS ONE**! Each of us can assist by signing a new member or reaching out to an expired member. We need to make each day through the end of April count by signing one new member each day. With the season gearing up this should be an easy task.

Are you spending time at your lodge? Do you invite the members you sign up out to the lodge to introduce them to everyone? There is a new friend waiting there if you take the time to get to know them. I know I made many new friends during my travels throughout the State and look forward to my next trip to renew these friendships and make more.

I look forward to seeing you at the mid-year conference.

Sam Harris
Regional Manager



MOOSEHEART NEWS

Record Number of Visitors Toured 2014 Holiday Lights

By DARRYL MELLEMA, Associate Editor, Moose Magazine

Mooseheart, IL, Feb. 2 –
The 2014 Mooseheart's Holiday Lights Show set a record for the number of visitors to view the lights displays. The show, which was open from Nov. 28-Dec. 31, was viewed by 10,133 carloads of visitors, more than 2,000 ahead of the previous-best of 8,100, established in 2012.

"You'd think that after five years, the word is out and the tradition has been established in families, that this is a great way to kick-off the holiday season," Mooseheart Executive Director Gary Urwiler said.
Urwiler said this year's Holiday Lights Show averaged 298 cars per night through its 34-day run. The six nights when Santa Claus made an appearance at the Mooseheart Fieldhouse were the most popular, he said, but each day saw a steady stream of visitors to view the many lighted displays on a 1.8-mile loop through the campus.
"It was great working at the gate where people entered and left the show, hearing their stories about how this was their first time and how they enjoyed seeing the show this year," Urwiler said.

Santa Claus' visits saw a surge to 1,000 cars per night, Urwiler said. Santa Claus sat for free photos while crafts and activities took place in the fieldhouse. Free cookies and hot chocolate also were served.
"That's a pretty remarkable number for the four-hour span the show is open on those nights," Urwiler said. "When you see families come to the fieldhouse at 6 and stay until 9 and enjoy the craft tables and bounce houses as well as Santa, it is really great to see."

Urwiler said the 2015 show is already planned, and will open Nov. 27 and continue to Dec. 31, meaning visitors will have 35 days to view the lights displays, and Santa Claus' visits are already scheduled for Dec. 11-13 and Dec. 18-20. Among things Urwiler said he hopes to introduce this year is a live nativity scene.
"I think people like to take the opportunity to slow down for a bit during the holiday season," Urwiler said. "The bottom line is this was a great year for us to see sizeable growth. It inspires us to continue this outreach, to invite people onto the campus and to let them see what lies beyond the gates."

Urwiler added that the public is invited to come to Mooseheart on March 28 for the Easter Egg Hunt, which is free and open to all children aged 8-and-under.

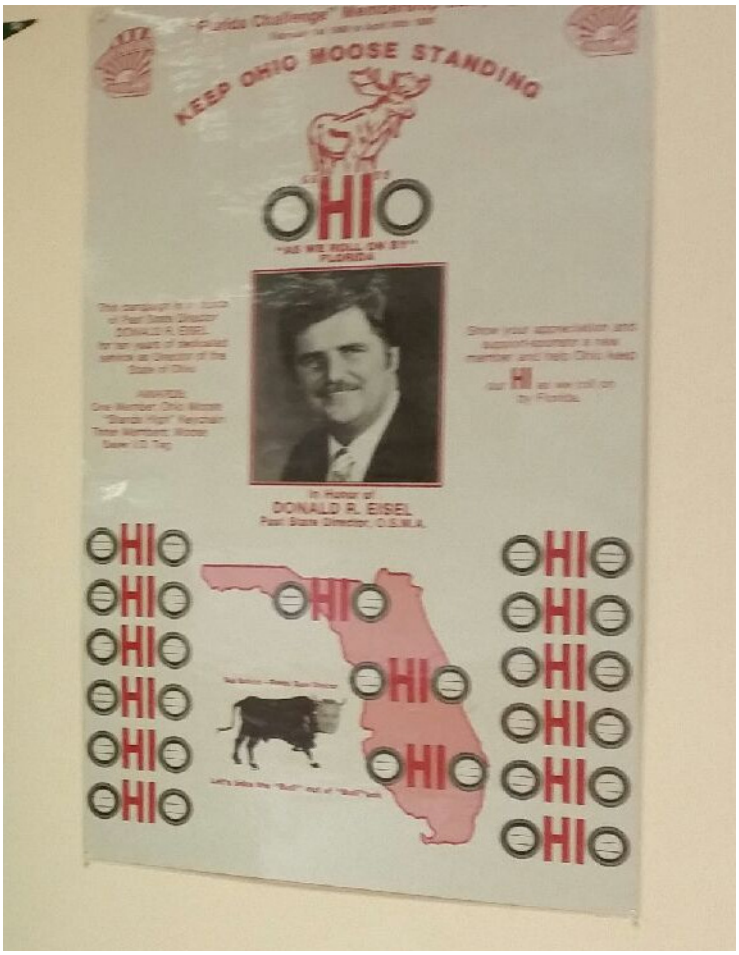
FBMA ARCHIVES NEWS

Living Exhibit of Our FBMA History



Robert M. "Bob" Bullock (FBMA past State President, FBMA Past Secretary, and FBMA past Regional Director—to name a few) stopped by the recently renovated FBMA Archives during the Board Meeting in January at Moosehaven. Bob is shown standing next to his Pilgrim regalia which was previously donated, complete with a pair of his infamous shiny boots. Also pictured above is a poster that Ohio Moose Association issued as a challenge to the FBMA a few decades ago.

FLORIDA SHERIFFS YOUTH RANCHES

Summer Camp Starting Soon at the Florida Sheriffs Youth Ranches

As the first day of summer camp approaches the staff of the Florida Sheriffs Youth Ranches Summer Camps in Inglis and Pierson are busy making preparations. Cabins are being made ready for boys and girls, activities are being planned, arts and crafts supplies are being stocked and camp counselors are being hired.

Each year, thousands of boys and girls from around the state spend a week at one of our summer camps. Campers enjoy many experiences including a ropes challenge course, archery, canoeing, arts and crafts and field trips to go swimming at local springs. For many campers, summer camp is their first experience of being away from home for the first time.

At the end of summer camp the boys and girls write "Thank You" notes to the donors who make these camps possible. The campers really enjoy their time at camp, and you can see their appreciation in the "Thank You" notes they write.

If you would like more information on how to sponsor a child at camp or to learn more about the Florida Sheriffs Youth Ranches, please contact Donor Relations Officer Frank Kenny at 1-800-765-3797 or visit www.youthranches.org.

MOOSE CHARITIES

A Message from the Executive Director of Moose Charities

Good Afternoon One and All

I am thanking each of you, your Associations and your Fraternal Units for the financial donations to the School Renovation.

As of 1-31-15, net receipts for the renovation are **$9,230,415.47.** We need $769,584.53 more to complete the $10,000,000.00 goal.

Please – it is so very important to continue to fund this project and I have faith in each of you that you will appeal to your respective FRUs to make this their priority. This is the community service entity that needs the utmost attention. These are our kids – our school – our responsibility.

If every Lodge and Chapter each donated $100 per month, we would realize this goal by the Nashville International Convention. What an outstanding celebration we can have.

GOD BLESS MOOSEHEART!!!

Always with warm regards and in friendship,

Jan Fregulia
Executive Director

FBMA Board Meeting Luncheon for the Women Yields Funds for School

Recently, at the FBMA State Board Meeting, while the men were in meetings, Donna Norris hosted a luncheon for the many ladies in attendance. Following lunch, Karen Von Nostrand led a boisterous trivia contest with winners receiving scratch off lottery tickets as prizes.

It's no surprise that the ladies with winning tickets donated them to Moose Charities for a total of $79, with a dollar thrown in to round it out to $80. What a nice way to raise funds, make new friends and celebrate our Fraternity.

Pictured to the right is a group of Donor Divas displaying the winning tickets. Thanks to everyone who was kind enough to donate their "prizes".

COMMUNITY SERVICE

Tommy Moose Dolls Presented to Jacksonville Sheriff's Office

At a meeting of the North Florida Council of Higher Degrees at the Lakeshore Lodge 2020 in January, 2 cases of Tommy Moose plush toys were donated to the Jacksonville Sheriffs Office. One case was given by Lakeshore Lodge 2020 and the other two were from the North Florida Council of Higher Degrees. The following letter was received by John Koelling at the Lakeshore 2020 Moose Lodge.

Hello Mr. Koelling,

On behalf of the Jacksonville Sheriff's Office I would like to thank you and Moose Lodge #2020 for selecting our agency to participate in the "Tommy Moose" doll giveaway to children in need. The following was sent to our detective division:

"Through continued community partnering, Zone 4 has developed a relationship with the local Moose Lodge 2020, (5051 Collins Road Jacksonville, Florida 32244) subsector J3. One of the many programs that Moose International has undertaken is the Tommy The Moose doll giveaway. The Tommy Moose® program aids in helping children overcome fears and anxiety during times of stress. Donated to Law Enforcement, Fire, and other Emergency workers, Tommy Moose plush dolls are presented to children in various traumatic situations. In addition to this service, the Tommy Moose character has grown to personify happiness, safety, and security through personal appearances, books, and on children's goods.

On Saturday 01-17-15, our Zone was awarded several cases of the Tommy Moose dolls for children in need. We would like to present them to the Special Assault Unit for those situations our agency comes into contact with a child in need."

As a result, the "Tommy Moose" dolls were distributed to the detective division for those instances where our detectives come into contact with a child involved in a traumatic situation.

Pictured L-R: Officer Sherry Milowicki, Joe Clevenger, and John Koelling, Lake Shore Lodge 2020.

Thank you and the Moose International for all that you do for our community and communities around the world.

Respectfully,
Officer M.A. Duckworth ID# 7296

Hialeah Lodge 1074/Chapter 1231 Community Service Submission

For the third year running, Hialeah Lodge 1074/Chapter 1231 proudly took part in the City of Hialeah Toy Drive for Special Needs/Underprivileged Children. The donation for this worthwhile cause was made possible through fundraising events and member contributions. Several members volunteered time at the event that brought over 400 area school children to Hialeah Goodlet Park on December 11, 2014. The children were treated to presentations by the City's Fire and Police Departments, a pizza lunch, and a present from Santa himself (also known as Trustee Steve Dielmann).

Vintage Mooseheart Photo Now on Loan to Lake City Lodge

Above L-R: Odell Peer, Outer Guard; Tempie Peer; Robert Ford, Governor; and Dick Myers, Administrator.

Photo courtesy of Joan Fedora

At a District 14 Meeting in December, Grand Chancellor Emeritus and Chapter #1399 co-worker (Lake City) Tempie Peer made a special presentation to her lodge, a circa 1919 photograph of Mooseheart residents on the Mooseheart campus. The photo was given to her by then Director General Herbert Heilman back in 1984 for "safe keeping" knowing that she would know "the right time to pass it on". Tempie felt it was time to display the photo and has graciously loaned it to the Lake City Lodge which plans to proudly display the photo in their Meeting Hall.

For those who don't know, Tempie retired from the position of Grand Chancellor of the Women of the Moose in 1999 after serving since October of 1993. Prior to that she was employed as Director of Activities and Grand Recorder. She is originally from North Carolina but ultimately transferred her life membership to Lake City where she and Odell still remain active.

Lodge Safety Inspection Form

The next Lodge Safety Inspection Form is due by April 1, 2015. We will begin to accept submissions on February 1, 2015. Lodges that fail to submit the completed Lodge Safety Inspection Form by April 1, 2015, will have a compliance modifier added to their 2015-16 Risk Pool Assessment. This compliance modifier will increase the amount the Lodge pays for their Risk Pool Coverage for the 2015-16 coverage year.

The Lodge Safety Inspection Form has been revised and the new version with the revised date of 1/8/2015 is the only one that will be accepted. Also, a pdf presentation is available to assist you in completing the form. It is available on the Moose International website.

If you have any questions regarding the Lodge Safety Inspection Form, please contact Cynthia Traynor at 630-859-6619 or ctraynor@mooseintl.org or Cherie Staples at 630-859-6637 or cstaples@mooseintl.org

Nashville
International Moose Convention
July 3 - 7, 2015

Join us next year in Nashville for the 2015 International Moose Convention to be held July 3rd-7th! Check the International website for Information about registering and booking your room.

Moose International has secured a limited number of tickets for the 4th of July Evening Fireworks Cruise aboard the General Jackson Showboat. This is an excellent way to view one of the most spectacular fireworks displays in the country. If you are interested in purchasing tickets for this cruise, you must order your tickets on the online registration form. *Please note: This option is only available if you register online. Once all tickets to this cruise have been reserved, this option will no longer exist on the form.*

- Boarding is at 6:15pm; Departure 7:00pm; Return approximately 11:00pm
- Cost $95.00
- All seating for the dinner is inside and air conditioned

On Sunday, July 5th the Moose 25 Club program will be an evening at the Grand Ole Opry. *If you have earned or anticipate earning 25 Club status by April 30th, 2015, you will automatically receive complimentary preferred-seating tickets for you and a guest at this evening's performance.* Unless you are purchasing additional seats to this performance, do not buy tickets at this time through your registration form. If you fail to earn 25 Club status, there will likely be tickets available onsite for this performance, although this cannot be guaranteed.
For those individuals who do not anticipate earning 25 Club status by April 30th, you may purchase tickets to this event at any time (while quantities last) either through the registration form or onsite at registration

- All tickets are $30.00
- As is the Grand Ole Opry tradition, performers will not be announced prior to the show but could include any current member who indicates a desire to perform that evening
