Moose Membership Mobile App is Now Live!

The Moose Membership Mobile App is live on both Google Play and the Apple App Store. Members can now download the app for free using their iPhones or any Android phone (i.e. Samsung, Google Pixel, Motorola, etc.). The app includes the new electronic Moose membership card, your Moose membership record, the lodge locator, the General Laws of the Fraternity, as well as instant access to pay dues or sign a new member. Members should use their existing Moose “My Membership Record” user name and password to log in, or register in the app, if they don’t have a “My Membership Record” login.

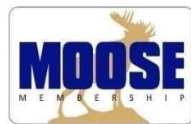

The attached document gives information on how to download the app on nearly any phone.

Note: The new electronic membership cards will be treated the same as the printed card. The membership expiration date is in the same location as on the printed card. The electronic card is almost identical to the printed card, however, if a member is marked as a Valued Veteran, the card will carry the VV design. Also, the electronic card does NOT have a magnetic strip, but rather a QR code instead, so members will still need to carry their printed card if their lodge has a mag strip reader on the entrance door that has not yet been upgraded with a QR code reader.

After May 1, 2023 all new plastic cards will only have a QR code, no swipe strip. All lodges will need to install QR code readers. Note all current cards have a QR code, so you do not need to order a new card to use the QR reader.
